OFFICE OF SECRETARY-TREASURER
1516 SANSOM STREET, PHILADELPHIA, PA.

January 17th, 1936.

In April 1935 when the organization of the Metropolitan Philadelphia Chapter of the American Foundrymen's Association was being completed, it was announced to the membership of the Philadelphia Foundrymen's Association that a rebate of one-half year's dues - \$6.00 - would be made to all firms who had paid the 1935 yearly dues of \$12.00 to the Association.

You are one of those firms and attached is a check for \$6.00 in accordance with this stipulation.

The Philadelphia Chapter, A. F. A. is functioning admirably; membership is being increased steadily and the attendance at meetings is growing.

The Philadelphia Foundrymen's Association still has a sizable fund and in accordance with the Resolution adopted at the meeting in May 1935, the Control Committee, which is made up of those men who were members of the Board of Directors at that time, will make a report, perhaps in May, to the membership of the Philadelphia Foundrymen's Association in good standing for 1934 or 1935, as to the disposition of these funds and the affairs of the Association. The Association is dormant now of course, its activities having been taken over by the Philadelphia Chapter, A. F. A.

Very truly yours,

Philadelphia Foundrymen's Association, Inc.
