

Scholarship Applications

The Scholarship Committee is presently accepting applications from students who will be entering the junior or senior year of education at an accredited university. The student must be pursuing a BS degree in an engineering field and meet one of the following qualifications:

- a) attend a university within the Keystone Chapter area.
- b) Be a child of a Keystone Chapter AFS member attending a university anywhere.
- c) Be a child of an employee of a Keystone Chapter AFS company member attending a university anywhere.

Applications must be received by June 1st for award in the fall of 2002. Forms can be obtained by writing or calling the Chapter office or by downloading from <http://www.keystoneafs.org> under "Scholarship".
