Mr. Howard Evans,
C/o J. W. Paxson Co.,
Pier 45, North, Phila., Pa.

Dear Mr. Evans:

I appreciate very much your splendid gift. I can well remember when I was a young lad, back on the farm in Iowa, that when I heard of a man who had a "Parker Hammerless," I almost envied him, because I knew that was the last word in shot-guns, and after "Parker" we wrote "finis". I am very proud to be the owner of a high-grade gun like that.

I know now that when I "draw a bead," squint my eye and pull the trigger, the game is mine, if within range.

With best wishes to all the members of your Association and kind personal regards,

Very cordially yours,

 W. A. Sunday
