

PHILADELPHIA FOUNDRYMEN'S ASSOCIATION, INCORPORATED
1623 SANSOM STREET
PHILADELPHIA, PA.

June 2nd, 1932.

To the Members,
Gentlemen:

Enclosed is a leaflet describing the activities and purposes of The Taxpayers Association of Philadelphia.

There is, no doubt, as great need to reduce local expenditures as federal or state expenditures if relief from excessive taxation is to be had.

The Taxpayers Association of Philadelphia admittedly is seeking membership to enable it to effectively prosecute its program. As little as \$1.00 will pay for enrollment. The matter is presented for your consideration.

Very truly yours,

PHILADELPHIA FOUNDRYMEN'S ASSOCIATION, INC.,
